

2022 AAU SPRING STATE GYMNASTICS CHAMPIONSHIPS

Hosted By: Tampa Gymnastics

Held at: The Tampa Convention Center, Tampa, FL

Listed below are the score breakdowns that were used to determine the divisions for the 2022 AAU Spring State Meet.

How do we do the breakdown?

The highest All-Around score from each athlete is put in a spreadsheet and divided into equal divisions based on the amount of athletes entered at that level. This ensures that your athlete is competing in a division that is of like ability/age/level/ and experience. The Highest All Around at State Meet in each level in the "Z" division ONLY, will be crowned the All American.

Please double check that your athletes' assigned divisions are correct based on their highest all around scores and birth dates. Email Patti Gross (patricia.gross@tampagov.net) with issues or changes as soon as possible.
